TWO AND TWO MAKES FIVE

THE bell rang and the reasons why the teachers get grey piled out of the class room. A thunderous racket suddenly exploded in the hallway as the boys scraped their rulers along the lockers, yelled out of the windows, and made like coyotes on the prairie at the girls.

"What's the new doll's name?" Joey Marsh asked his shadow, Pepper Collins, as they walked toward the gymnasium.

"Sharon," Pepper replied and rubbed the large freckle right on the end of his ear.

"What's her whole name?" Joey queried again.

"She's only got one name, and it's Sharon. She's from Hollywood, that's why. Out there, they've only got one name. It sounds more foreign. Makes all the dolls seem mysterious, like spies."

"Oh, yeah, I dig it!" Joey said and his eyes brightened on seeing the point. They also sparkled like headlights when they first saw Sharon. She was tiny. Like a real doll, with jet black hair cut somewhat like Pepper's little brother's, only longer, and she had big blue eyes with long black lashes that looked like fans when she bent her head to read.

"But there's something I still don't get. What's a Hollywood star doing in Midville High?" Joey asked.

"It's simple, stupid, and

she's not a 'star'—she's under contract. Well, kids in Hollywood gotta go to school like everyone else, don't they?"

"Yeah," Joey agreed.

"Well, Sharon's studio sent her out here to go to school for a year so's she won't go on too many dates, and stay up too late at night. Then she'll be sure to pass all her exams, see?" Pepper looked knowing.

"How'd you find out all of this information?" Joey raised an eyebrow and looked at Pepper suspiciously. If Pepper thought he was going to get the first bid in for Sharon's spare time, he had another "think" coming.

"From Georgia." Pepper said nonchalantly.

"Georgia!" Joey echoed. "How come Georgia knows Sharon so well?"

"They're buddy-buddy, already. Georgia's even going to ask her parents if Sharon can't spend the year at her house."

"Oh, no!" Joey groaned. "What am I going to do? Of all the girls in this big high school to get chummy with, Sharon has to pick my ball and chain."

"So Georgia's a ball and chain now, huh?" Pepper asked, thinking how lucky for him that Susie hadn't become friendly with Sharon.

"Where there's a will, there's a way," Joey said shaking a determined fist at the ceiling of

the gymnasium.

"Who said that?" Pepper asked.

"Don't be funny," Joey threatened, tossing a ball at Pepper's midriff. Pepper caught it absent-mindedly. He was thinking of how he was going to get out of his usual Saturday night show date with Susie and ask Sharon to go, without Georgia finding out about it and spilling the beans to his ball and chain.

The next day, Pepper found Sharon in one of her rare moments alone. She had left the study hall for a drink of water.

"Allow me," Pepper offered gallantly and held the knob of the fountain while Sharon quenched her thirst.

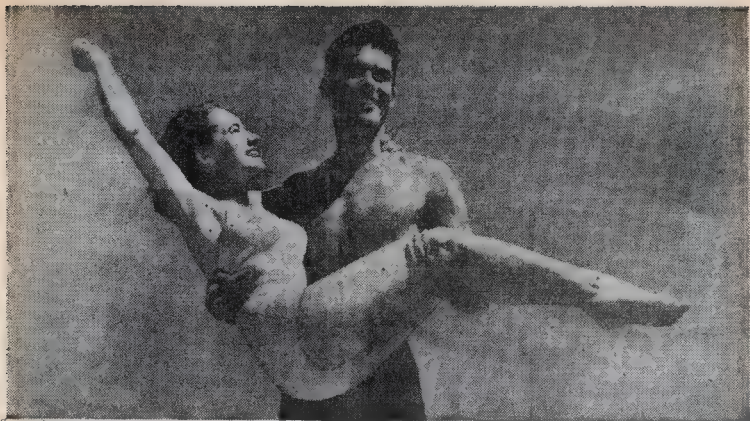

"Sharon, I guess about every guy in the place has asked you for a date, but how about a show Saturday night with me if you're not already booked up solid."

"Why, yes. I'd love it! But I don't even know your name," Sharon said, turning her big blue eyes on Pepper.

"I forgot to introduce myself," he said, blushing to the roots of his fiery hair. "My name's Pepper, Pepper Collins."

"Alright, Pepper, you can call for me at eight o'clock at the Stratford Arms. I'm staying there until I move to Georgia Adam's house next week."

...TWO AND TWO MAKES FIVE, CONT'D.

Pepper felt as though an enormous weight had been lifted from his chest, and he breathed a deep sigh of relief. She hadn't moved—yet. The next thing was to make sure that Sharon would keep mum about who her Saturday night date was going to be.

"Uh, Sharon, I told you my name was Pepper, but that's just a nickname. And I wouldn't want a sophisticated girl like you to call me by some baby tag. My real name is Ted. You know, in case anybody should ask you who you're dating," he explained.

Sharon looked at Pepper with a bewildered expression. "Well, alright, but I like Pepper much better."

"Thanks. I knew you'd understand. See you Saturday night," he said and felt himself grow weak just thinking about it. Pepper walked backwards down the hall gazing at her until he bumped into Mr. Frisby, the history instructor.

"Oops! Watch where you're going, young man," he puffed, straightening his coat after the near head-on collision.

"Yes, sir. Excuse me, sir."

Then Mr. Frisby saw Sharon standing at the fountain. "You are excused," he said and gave him an understanding pat on the shoulder.

Saturday night came and Pepper was almost beside himself. Susie had been nice about breaking their date, but Robbie, Pepper's little brother, had taken big brother's cuff-links and couldn't remember where he'd put them. It was 7:45 and Pepper was still running about with his shirt dangling outside his trousers.

"Think! Think, you little

monster! Did you eat them?"

"No," Robbie replied looking innocently into Pepper's glare.

"Where did you put Pepper's cuff-links...cuff-l-i-n-k-s?"

"Oh! he finally said, putting his finger to his nose. "In Mommie's flower pot!"

"So, you thought they were seeds, did you? Pretty expensive seeds, my silver cuff-links," Pepper growled as he dug in the dirt of the Chinese lily. "Look at them! Just look at them!" he yelled and shook the grimy silver seeds underneath Robbie's nose.

Finally Pepper arrived at the Stratford Arms, panting and wild-haired. Sharon appeared, a vision in white, and Pepper forgot instantly all of his troubles and everybody else's.

They arrived at the Frolic Theatre and took their seats. The newsreel ended and the lights were turned on for a moment before the feature began. Pepper glanced casually to the side and who should be sitting next to him but—SUSIE!

"Well, Pepper Collins! Fancy meeting you here!" Susie said, looking as though she might explode any minute.

"Gee, Susie!" was all Pepper could manage to say.

"Joey and Georgia were nice enough to ask me to come along with them tonight, but I see now that three's a crowd and two and two makes five! Oh, Pepper Collins, if you ever speak to me again, it'll be over my grave."

"Susie, I think I'm the fifth party here," Sharon whispered in Susie's ear as she got up and corrected Pepper's poor arithmetic.

PATSY'S CLUB PAGE

THANKS EVERYBODY FOR ALL THOSE WONDERFUL LETTERS LAST MONTH! AND HERE'S OUR CLUB PAGE TO TAKE A LOOK AT SOME OF THEM . . .

Dear Patsy:

I am much taller than all the other girls in my class, and most of the boys, too. I try not to be self-conscious about my height, but I am. Is there anything I can do to make myself look shorter?

Sincerely,
MARTHA COLLIER
Akron, Ohio

Dear Martha:

Whatever you do, **DON'T slump or pull your shoulders together to appear shorter. Stand straight because you'll look better. You just happened to grow a little faster than the others, but they'll catch up with you and you'll find plenty of tall boys who like tall girls.**

Love,
Patsy

Dear Patsy:

I have a girl friend just like Hedy. Although she claims she's my best friend, I know she's just pretending, because she says mean things behind my back and tries to get dates with my favorite boy friend. Do you think I ought to give her a taste of her own medicine?

Love,
FRANCES MARROW
St. Paul, Minnesota

Dear Frances:

So far Hedy's just where she started and that's nowhere with Buzz. I think Buzz is flattered by Hedy's obvious flirting, but girls like Hedy never really endear themselves to anyone, especially boys. I don't think you have a worry in the world and I'd be sweet as pie to her.

Love,
Patsy

Dear Patsy Walker:

Why doesn't your father like Buzz? He's such a dream of a boy, but your father seems to be annoyed when he's around. Don't you think you ought to have a talk with your father? Think how poor Buzz must feel.

Worried,
MARY BETH STEELE
Greensboro, North Carolina

Dear Mary Beth:

Daddy doesn't really dislike Buzz. As a matter of fact, he thinks Buzz is the nicest boy I could pick to go out with. It's just that when Buzz spends so much time at our house, Daddy wonders if Buzz has a bone of his own.

Love,
Patsy

Dear Patsy:

I liked the story about the teen queen contest in PATSY WALKER #45 very much. Let's have more stories about happenings in school and more stories about Miss Whiplash's classes with you, Hedy and Buzz. They're the funniest of all.

Sincerely,
LOIS HUGHES
Dallas, Texas

Dear Lois:

Our class thought the mix-up with the photographs in the teen queen contest was one of the best jokes yet on Hedy Wolfe. Her scheme to steal the contest honors from me certainly back-fired and served her right. She's still doing a slow burn and everybody's still laughing.

Love,
Patsy

Dear Patsy Walker:

My parents have threatened to stop all dating if I flunk algebra again this term. I just go out on Friday and Saturday nights and once in a while during the week. Right now I'm terribly wild about a new boy I've just met and if I have to stay in studying all the time, he'll find somebody else to date. What am I going to do?

Anxiously,
MARIE FOWLEY
Wilmington, Delaware

Dear Marie:

I know how you must feel because I found algebra difficult too. But why don't you try not going out for a couple of weeks and bury your head in your studies? Then when you think you're getting on to it, go out Friday or Saturday, but not both nights. If this fellow really likes you, he'll understand, and you will have lost nothing by doing your best all the way around.

Love,
Patsy

Dear Patsy:

If I had a dentist like Dr. Young in PATSY WALKER #45, Mother would never have to force me to go. You're so lucky you had a toothache and I'll bet Hedy wishes she really had one too. Let's see more of Dr. Young.

Sincerely,
CORINNE DELANEY
Boston, Mass.

Dear Corinne:

Take a lesson from me and go to the dentist regularly, even if you don't have a Dr. Young to go to. A toothache is much more painful than going to the dentist who really doesn't hurt at all, I discovered. Of course, Dr. Young is so handsome I almost forgot I had a toothache. With Hedy in the race, you'll be hearing more about him.

Love,
Patsy

HERE'S PROOF...

How This Amazing New Scientific Formula Called Comate May Help You

Save Your Hair

If you are troubled by thinning hair, dry itchy scalp, dandruff, if you fear approaching baldness—here is **GOOD NEWS!**

Now available to you is the amazing new Comate Medicinal Formula, developed after years of painstaking research. Comate effectively controls seborrhea—the scalp disease now believed by many leading doctors to be the most common

cause of hair loss and eventual baldness. These doctors declare that three types of dangerous scalp organisms are the cause of this scalp disease: staphylococcus albus, pityrosporum ovale, and corynebacterium acnes.

First, Comate was put to a series of rigid tests on cultures of these hair-destroying bacteria. **HERE ARE THE STARTLING RESULTS!**

PROOF 1

Comate Medicinal Formula killed the three test cultures—staphylococcus albus, pityrosporum ovale, corynebacterium acnes—in **60 seconds!** Report #8099,

June 17, 1950, by a leading independent testing laboratory. (Complete report on file, copy on request)

Our research chemists were still not satisfied. Yes, Comate had proved itself in the test tube, but would Comate work as well on the human hair and scalp? And on another—a second—series of

experiments was prescribed, to test Comate on the hair and scalps of men and women. Here is the remarkable performance of Comate when applied directly to the human scalp.

PROOF 2

Comate Medicinal Formula, applied directly to scalps of men and women, killed **88.4% of all scalp bacteria**, after 15 minutes application. Report #26635,

December 14, 1950, by a leading independent testing laboratory. (Complete report on file, copy on request)

After this proof of success both in the laboratory and on the scalps of men and women, Comate was put to the third test—the toughest of them all. Comate was sold by the thousands on

a **DOUBLE MONEY BACK GUARANTEE** in a number of typical American areas. In 3 short months we have learned that our work and faith in Comate have been vindicated.

PROOF 3

Letters of gratitude hailing Comate have poured into our offices. By word-of-mouth the amazing results with Comate have been told far more effectively than

we could in this advertisement. And only 1.9% of Comate users have asked for and received double their money back. Imagine! 98.1% of our customers were delighted with the sensational results from Comate Formula. Report July 27, 1951, by Certified Public Accountant.

DOUBLE YOUR MONEY BACK GUARANTEE

Read the **PROOF** from the laboratory tests—the **PROOF** from the scalp tests—the **PROOF** in the letters of gratitude from happy men and women who have found Comate the answer to their scalp troubles. Comate must accomplish for you what it has for thousands of men and women. You must be completely satisfied, or **DOUBLE YOUR MONEY** will be returned to you. We take all the risk.

Not even Comate can grow hair from dead hair follicles—so **DON'T DELAY**—fill out the coupon while there is still a chance to have thicker-stronger-healthier looking hair. Mail the coupon TODAY.

I Can Make YOU a New Man, Too, In Only 15 Minutes a Day!

CHARLES ATLAS
Holder of title,
"The World's
Most Perfectly
Developed
Man."

PEOPLE used to laugh at my skinny 97-pound body. I was ashamed to strip for sports or for a swim. Girls made fun of me behind my back. THEN I discovered my body - building system, "Dynamic Tension." It made me such a complete specimen of manhood that I hold the title, "The World's Most Perfectly Developed Man."

What's My Secret?

When you look in the mirror and see a healthy, husky, fellow smiling back at you — then you'll be astonished at how fast "Dynamic Tension" GETS RESULTS! It is the easy, NATURAL method and you can practice in the privacy of your own room — JUST 15 MINUTES EACH DAY Just watch your scrawny chest and shoulder muscles begin to swell . . . those spindly arms and legs of yours bulge . . . and your whole body starts to feel "alive," full of zip and go!

Thousands are becoming husky — my way. I give you no gadgets to fool with. With "Dynamic Tension" you simply utilize the dormant muscle-power in your own body — watch it grow and multiply into real, solid LIVE MUSCLE.
